

Dress Code

Wharton Park Golf & Country Club has a modern look on golfing attire. As you enter the club house you will find that we accept most forms of smart clothing.

Our exceptions run mainly to work wear and ripped clothing.

We do permit smart jeans within the clubhouse as our function rooms including the lounge bar are available to all.

Whilst out on the course we follow most clubs in England, smart golfing attire.

While modern trends are changing all the time, we will never be able to keep up with modern fashion. This is where you come in.

As the organiser of the golf day, we ask you to inform your companions of the suitable dress code. Smart Golfing Attire.

We will ask people not following the rules to change their clothing, or as a last resort ask them to leave the course and await the rest of their party in the clubhouse.

We hope that you have a fantastic day with us at Wharton Park Golf & Country Club.
