- 7 New Zealand **Aroha Bay Sauvignon Blanc** £24.95  
This wine offers the tropical and citrus fruit flavours associated with Southern Hemisphere Sauvignon – ripe gooseberry, passion fruit and fresh limes, together with New Zealand's famous exotic herbaceous aromas.
- 8 France **Chablis La Colombe** £26.95  
Typical of what decent Chablis should taste like - not a trace of oak, pungent and flinty on the nose with a tad of creamy fruit underneath, this gets richer as the mineral characters give way to a gently fruity core, and is then cut back by a long juicy bite.
- 9 France **Sancerre Domaine Fondettes** £28.95  
Aromas of soft apple, lemon, hints of grass and honey. The palate is extremely refined and has a pure minerality, with zingy fresh clean lemon and hints of a summery leafy green. Underneath this steely layer is a honeyed richness and complexity which really adds a decadent dimension to the wine.
